

Comprehensive Progress Report

Mission: Our mission is to engage, enlighten, and enrich the students of Jackson County.

Vision: Learning for All

Goals:

Implement effective core reading instruction in grades K-6 to include: 1. Pre-K-6 Direct vocabulary instruction, including word work with prefixes, suffixes, roots, etc. and using research-tested strategies, including Marzano's; 2. K-4 Data-driven guided reading groups following the Jan Richardson model; 3. K-6 Literature and informational text studies (Explore the World, K-6 bundles) 4. iReady supplemental instruction and assessment; and 5. Additional core provided through data-based, differentiated reading groups.

Implement effective math instruction, focusing on grades 3-6.

			<p>Priority Score: 3 Opportunity Score: 2 Index Score: 6</p>			
<i>How it will look when fully met:</i>			Teachers will provide a positive, supportive learning environment for all students. Student office referrals will be reduced. The use of positive reinforcement will be the main emphasis in all educational environments.	Objective Met 10/07/19	Teri Walawender	05/31/2019
<i>Actions</i>						
	9/13/17	MTSS Training and PBIS Training		Complete 08/30/2017	Stacy McNabb	08/30/2017
		Matrix				
		<i>Notes:</i> All teachers attended a training led by county staff on MTSS in our schools. All teachers attended a training and an update on PBIS with Dana Tucker on PBIS. All teachers received a matrix to place in their classrooms or spaces to refer to when speaking to children about expectations.				
	9/13/17	Principal will meet with Special Area teachers to have training concerning behaviors and common expectations within those areas.		Complete 04/12/2018	Teri Walawender	06/01/2018
		<i>Notes:</i> First meeting was 11/14/2017.				
	12/12/18	MTSS team and dates for monthly meetings will be established		Complete 01/21/2019	Jeff Wyant	01/21/2019

<i>Notes:</i>				
2/20/19	MTSS Team will provide faculty with strategies for addressing specific behavioral concerns through positive reinforcements and provide model communication stems/statements to help prevent and/or deescalate disruptions before they become discipline issues.	Complete 05/24/2019	Brittani Cachine	06/01/2019
<p><i>Notes:</i> Ms. Cachine, Mrs. Fahey and Mrs. McRight will provide examples through role play and guide faculty as they develop the positive reinforcements that will help target classroom behavior issues. Targeted behaviors will based upon Educators Handbook and include disrespect, disruptive behaviors, and non-compliance. The team will also provide teachers with an example of a behavior that is addressed not using empathic statements versus using empathic statements and facilitate the development of a list of statements/starters that can help them address concerns without escalating situations. Final lists will be typed up, printed on card stock and laminated for all classroom teachers. Lists will be completed and provided to faculty by 3-27-19.</p> <p>Additional support will be provided to faculty who request it and/or who are struggling to implement these strategies in their classrooms. Ongoing observations and feedback will continue through the end of the school year, 2019.</p>				
Implementation:		10/07/2019		
Evidence	5/2/2018 Training was completed, receipts for consultant, certificates for completion, observations to assess improvement.			
Experience	5/2/2018 Special Area staff met with Jennifer Beck on three separate occasions and completed a book study of "Responsive Classroom for Music Art PE and Other Special Areas." Strategies were discussed and plans were made to implement in classrooms.			
Sustainability	5/2/2018 Observations will be conducted by administration, as well as peers, to find ways to improve classrooms, especially in cases of special needs children.

Effective Practice:			Curriculum and instructional alignment			
		A2.06	ALL teachers reinforce elements of mastered knowledge that can be retained through review, questioning, and inclusion in subsequent assignments.(5096)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>			<p>All faculty have copies of the NC Standards for grades K-6 for math and reading, including sample items, vocabulary, Spanish cognates, and other tools for implementing standards.</p> <p>Standards are being used to plan lessons for all classes.</p> <p>Administration is monitoring lesson plans and pacing guides for standards alignment.</p> <p>Faculty are collaborating to plan instruction.</p>	Limited Development 09/05/2018		
			<p>Priority Score: 3</p> <p>Opportunity Score: 2</p> <p>Index Score: 6</p>			
<i>How it will look when fully met:</i>			<p>Students will demonstrate a greater understanding of content as indicated by student growth on school and state assessments.</p> <p>All teachers will provide instruction that is standards-based and vertically aligned. Lesson plans will include strategies to address building and retaining background knowledge.</p> <p>Evidence will include lesson plans, EOG results, iReady, IStation, benchmarks, and classroom assessments.</p>	Objective Met 11/25/19	Teri Walawender	06/01/2020
Actions						
	10/7/19		Establish vocabulary lists for math and ELA that support vertical alignment of content.	Complete 08/01/2019	Elementary PLCS	08/01/2019
		Notes:	Math and ELA PLCs developed vocabulary lists to support vertical alignment of math and ELA content. All teachers are including the vocabulary in instruction on a regular basis to build greater depth of understanding.			
	9/10/18		Administration will review lesson plans and pacing guides within the first 9 weeks and throughout the year through walk-throughs and observations to ensure that lessons are aligned with NC Standards and learning objectives.	Complete 11/01/2019	Teri Walawender	11/01/2019

Notes: Lesson plans will clearly note standards alignment. Teachers will work across grade levels through PLCs to help plan lessons that provide vertical alignment and reinforce skills and vocabulary learned. County Pacing Guide, Information about standards assessed from Checkins, and state websites will be utilized in helping teachers plan units and determine what gaps need to be addressed in available curriculum materials.

	<i>Notes:</i>			
9/10/18	Monitor implementation through observations and lesson plans.	Complete 05/29/2020	Teri Walawender	06/01/2020
	<i>Notes:</i> Administration will conduct monthly monitoring checks through walk-through observations, formal observations and/or lesson plans. Information will be used to inform discussions and modifications to instruction as needed. They will be monitoring for usage of identified vocabulary, CRA instruction (and other strategies shared by Bonnie Bolato) , mindfulness strategies and practice, following of pacing guides being followed (Math Clusters), and identifying learning targets.			
10/7/19	Math teachers will meet with Instructional Specialist, Bonnie Bolado, to help drive effective lesson planning. Meetings will occur throughout the year and include data discussions and ideas for implementation.	Complete 03/06/2020	Teri Walawender	06/01/2020
	<i>Notes:</i> Teachers have had an initial meeting with Bonnie Bolado to go over the CRA (Concrete, Representative and Abstract) method of instruction. The next sessions will involve going over teacher-specific data to inform groupings and instructional support.			
10/18/20	Teachers will participate in staff development on implementing the 5 point lesson plan.	Complete 10/07/2020	Stacy McNabb	10/30/2020
	<i>Notes:</i> Stacy McNabb will provide a review of the 5 point lesson plan and provide modeling of the use of the plan for video instruction.			
9/16/20	Provide training and resources for all teachers K-3 using the Jan Richardson guided reading and word study program.		Stacy McNabb	11/01/2020
	<i>Notes:</i> Stacy will coordinate online training and Sue will plan for team practice and implementation.			
9/16/20	Provide training and resources for CRA model and Three Reads Protocol for new faculty.	Complete 09/30/2020	Stacy McNabb	11/01/2020
	<i>Notes:</i> Teachers will meet to practice skills and demonstrate use in classrooms. Discussions of suggestions of how to implement 3 Read Protocol into lesson plans as well as use of anchor charts and templates.			
6/2/20	Teachers will create pacing guides that align instruction and resources with NC math curriculum.		Stacy McNabb	12/15/2020

Notes: Teachers will review new math texts to align pacing with the NC math curriculum and clusters provided through tools4ncteachers.org.
Notebooks will be developed to include pacing and resources that align with pacing. Pacing guides for fall will be finalized by Oct. 15, 2020.
Pacing guides for spring will be developed by Dec. 15, 2020.
