- Transfers of \$40,712 from State Textbook and Digital Resources Allotment to PRC 061 Classroom Materials/Instructional Supplies and Equipment

During the 2017-18 school year the option schedule focused on social studies. Schools had adequate textbook materials to meet the needs of the social studies curriculum. This transfer was necessary to allow individual schools to purchase supplemental reading materials. Schools also used money to purchase digital resources for use in classrooms.

- Transfer of \$110,000 from PRC 061 Classroom Materials/Instructional Supplies and Equipment to PRC 003 Non-instructional Support

Jackson County Schools never received enough funding for state non-instructional support, which helps fund school custodial and clerical positions, both of which are necessary to have a safe and supportive school environment for student instruction. Other local funding was received and used to support the schools' purchases of classroom materials and instructional supplies.
