

Jackson County Public Schools 2017-18 Read to Achieve Grades 1-2 End-of-Year (EOY) Results		G.S. §115C-83.10 requires “each local board of education to publish annually on a Web site maintained by that local school administrative unit and report in writing to the State Board of Education (SBE) by September 1 of each year the following information on the prior school year:”		
		Total Number of Students in EOY Text Reading and Comprehension (TRC) Assessments (denominator)	Number of Students	Percentage of Students
The denominator for calculating the required percentages for rows 1-4 is all students in membership at grades 1-2 for EOY TRC assessments.				
1	The number and percentage of first-grade students demonstrating reading comprehension at grade level.	294	171	58.2%
2	The number and percentage of first-grade students <u>not</u> demonstrating reading comprehension at grade level.		123	41.8%
3	The number and percentage of second-grade students demonstrating reading comprehension at grade level.	293	185	63.1%
4	The number and percentage of second-grade students <u>not</u> demonstrating reading comprehension at grade level.		108	36.9%

Note: Privacy policies dictate that any group with less than 10 students, the specific number and percentage should not be given. Therefore, if the number is less than 10 students, schools should use an asterisk (*) to represent less than 10 students and the percentages. An * indicates that the student population number and percentage is too small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).
